

Important Notice To Our Many Corporate Convention and Meeting Events

The **Grand Princess** and **SIR WINSTON** private luxury charter yachts have proudly referred hundreds of private luxury events to the Diplomat Hotel and Marina for nearly 50 years. SIR WINSTON has referred many customers to the Diplomat Hotel in the past. As you likely know, over the last 10 years our Grand Princess charter yacht has been conveniently docked at the Diplomat Hotel Landing, one of the finest oceanfront resorts & marinas in SE Florida.

We are saddened to inform you, due to a new and unfortunate Diplomat Hotel management decision, there will be no more SIR WINSTON pick-ups at the Diplomat Landing including guests staying at the Diplomat Hotel.

We are happy to share our network of preferred partner hotels offering the benefit of group guest pick up by the SIR WINSTON:

- Margaritaville Beach Resort and Marina...located just (1) mile north of the Diplomat Hotel
- Hilton Resort Hotel and Marina
- Pier 66 Resort Hotel and Marina
- The Cove Marina, Deerfield Beach
- Boca Raton Resort Hotel and Marina
- Turnberry Resort and Marina - Aventura
- St. Regis Bal Harbour Resort
- Ritz-Carlton Bal Harbour
- Grand Beach Hotel Surfside

All requiring the groups to stay at the hotel.

We are hopeful there may be a change in the hotel decision and that the Hollywood Diplomat Resort may once again restore guest pickups for hotel groups at some time in the near future. SIR WINSTON will be the first to inform you if the management changes their policy to pick up at the Diplomat Beach Hotel.
